CORDED INDUSTRIAL SCANNER

The Datalogic Power Scan 8300 readers' ergonomic enclosures are lightweight and well-balanced ensuring optimal operator comfort during scan intensive operations. Multiple good-read feedback features and a built-in metal tether hook for suspended applications ensure workplace productivity. The Power Scan 8300 readers' superior reading performance is enhanced by Datalogic's patented Puzzle Solver technology for fast and accurate reading of standard, poorly printed and damaged barcodes. **Datalogic** Scanning PowerScan readers are the top rated industrial handheld data collection products on the market. Synthesizing knowledge and experience, Datalogic Scanning is evolving the PowerScan family to include the PowerScan 8300 series: corded and cordless laser bar code readers featuring state-of-the-art performance for rugged industrial use.

All packages include the following:

- **Datalogic Power Scan 8330 corded scanner**
- **Accessories**
- **Award Winning Technical Support**
- **Pre-Configured out of the box**

P/N: TRK-CIS-DTL8330 - \$476.70

CORDLESS INDUSTRIAL SCANNER

The Datalogic Power Scan M 8300, featuring the STAR Cordless System for narrow band radio communications, represents the key to increased productivity and flexibility in the workplace. It offers scalable solutions to solve simple point-to-point applications as well as networking capability combined with seamless roaming for complex projects. An optional display with a 3-button keypad provides time and battery status and enables interaction with the host. The Power Scan M 8300 readers' mechanics have been developed and tested to withstand extreme environmental conditions maintaining consistent reading performance. Hard shocks (6.5 foot / 2 m drops), dust and water (IP65/IP64 sealed) and adverse temperature conditions (operative at -22 degreeF / -30 degreeC) do not affect product performance or reliability.

All packages include the following:

- **Datalogic Power Scan 8330 Cordless scanner w/ removable battery**
- **Datalogic Power Scan 8330 charger/base**
- **Power supply**
- **Cable (see below)**
- **Award Winning Technical Support**
- **Pre-Configured out of the box**

P/N: TRK-CLIS-8330KRS - \$818.99*
TRK-CLIS-8330KUSB - \$818.99*
TRK-CLIS-8330KPS2 - \$818.99*

CORDLESS INDUSTRIAL SCANNER

Scan all one-dimensional (1D) bar codes from practically anywhere with a Bluetooth-enabled cordless rugged scanner. The Motorola LS3578-ER reads labels as far away as 45 feet and as close as four inches--the greatest working range available in a rugged, handheld scanner. Ergonomically designed to be comfortable during long shifts, the scanner gives operators a 150-foot range, which far exceeds the 6-foot corded device range. Designed for use in harsh environments, the Motorola LS3578-ER withstands multiple 6.5-ft. (2-m) drops to concrete and has IP65-rated sealing for protection against the elements. Remote Scanner Management (RSM) enables efficient upgrades from a central location

All packages include the following:

- **Motorola LS3578 extended range scanner**
- **Motorola LS3578 cradle**
- **7ft. straight USB cable**
- **Power supply**
- **Award Winning Technical Support**
- **Pre-Configured out of the box**

P/N: TRK-CLIS-LS3578 - \$895.66*
